PWRvance™ Rapid Response *Your One-Stop Emergency Response*

The next disaster affecting your area is not a matter of if, it's a matter of when. And when that time comes, you need immediate world-class service from your partner in electrical power distribution equipment.

PWRvance established Rapid Response as your one-stop emergency response Team to get you the products you need, when you need them. A single email sets the Rapid Response team in motion. Email sales@pwrvance.com and mention Rapid Response in the subject line.

- Estimated shipment time for power distribution cabinets is 6-10 weeks.
- Power distribution cabinets from 200-2000 Amps.
- Utility approved.

When a natural disaster strikes your area, put the country's leading manufacturer of metering and power distribution cabinets on your team.

Contact the PWRvance Rapid Response emergency line at sales@pwrvance.com and mention the Rapid Response program in the subject line.

RAPID RESPONSE ORDER PROCESS SUMMARY

PWRvance™ Rapid Response team provides the support you need from a single contact - email sales@pwrvance.com and mention Rapid Response in the subject.

Shipping and Stocking Details

- Emergency orders should be placed on a separate purchase order and sent via email. The PO should clearly state that it is an "Rapid Response Order."
- The customer will be responsible for charges associated with shipping the product in any way other than the standard shipping method. Examples would include customer requested shipment by air, exclusive truck line, lift gate or residential delivery charges.
- Orders shipped for an emergency, if authorized to be returned, are subject to restocking fees per our standard terms.
- Special handling charges are not refundable, and non-stock special order items are not returnable.
