

**MILBANK**<sup>®</sup>  
ENERGY AT WORK

# SLIMLINE DIRECT BURY EXTENSION

## Versatile

---

Can be used  
with any Milbank  
Slimline Pedestal

## Modular design

---

Ships in a smaller  
package, increases  
flexibility, easier to  
handle and install

**CP-12SILL-DB-DG**  
12" Pedestals Only

**NO CONCRETE,  
EASY TO INSTALL,  
MODULAR DESIGN**

---

Great for traffic and street  
lighting controls and power  
pedestal distribution!

## Direct Bury

---

No need for  
concrete,  
bolts to unit

## More Stable

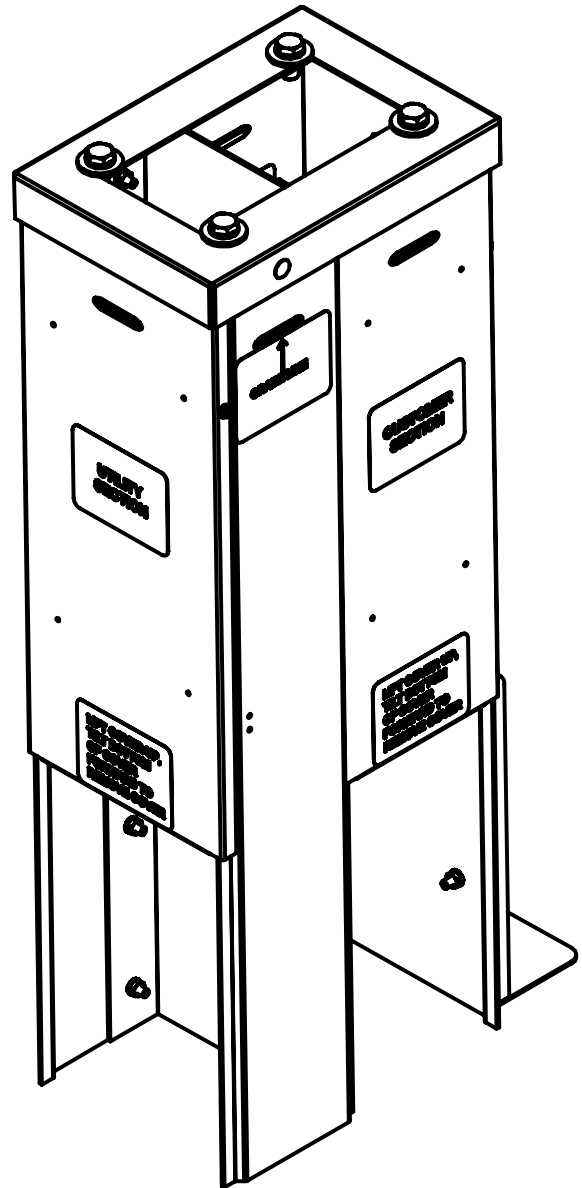

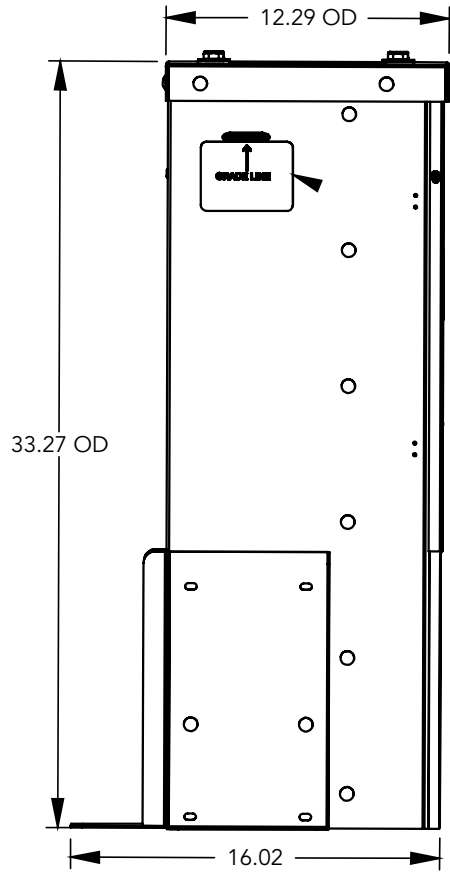

---

Stabilizing foot prevents  
leaning over time,  
modular design allows  
center to be backfilled
